

'Making a Difference Group'

Lets make a difference together

What is the Doncaster Parents Voice Making a Difference Group?

The Doncaster Parents Voice Making a Difference Group consists of parents/carers of children/young people with SEND who have direct contact with the City of Doncaster Council and health partners to ensure that work being implemented for SEND provision in education and health in Doncaster is focused on what children with SEND need.

Who is the group for?

This group is open to parents/carers of children/young people with SEND to come along to the meetings and have their say on what is working and what isn't working in Doncaster. The meetings are also an opportunity for parents/carers to get feedback from the City of Doncaster Council and health partners on what's happening in the local area, in schools and in health provision.

How can I get involved?

You can join us! We always welcome new members to the group and to Doncaster Parents Voice, it is so important to have the views of parents/carers heard. The meetings are held online via Microsoft Teams in the day time and also in the evening for parents/carers who work. You are welcome to join the group meetings and you can do so by e-mailing us at : dpvevents@doncastercarers.org.uk. By working together, we can ensure that the voices of parents, carers, young people and children are heard, and that the services provided in Doncaster truly meet the needs of our children.
