

# Parent/Carer Coffee Morning

10.00am - 12.00pm

**No booking required**

**Bringing Families Together Over a Cuppa**

Join us for regular coffee mornings at the Carers Centre—a **relaxed space** to meet other parents/carers, chat with our team, and feel part of a *supportive community*. We often invite local services to share helpful info about support for children, young people, and adults with SEND—and for you as a carer. And of course, there's plenty of tea, coffee, and biscuits.

**Pop in and say hello!**
