

Open House Coffee Morning Sessions

10.00am - 1.00pm

No booking required

At the Carers Centre we love bringing people together to share their stories, lived experiences and to catch up over a warm drink.

We hold regular coffee mornings throughout the year at the Carers Centre where carers can attend to **chat to us or others in similar situations**. At these sessions we sometimes invite local services/organisations to attend to let carers know about the support available for them and the people they care for. There is no need to book on these sessions and tea, coffee and biscuits are provided, so what are you waiting for, **come along and say hi!**

Doncaster Carers Centre
2 Regent Terrace
Doncaster
DN1 2EE

**These sessions
are for
unpaid carers**
