The Voice of SEND Young People Meetings Dates 2026

The Voice of SEND Young People is a group for young people aged 12–25 years to come together and share their feedback, ideas, and opinions on the issues that affect them—especially in health and education.

It provides a safe, welcoming space where young people can feel heard and valued. It's also a great opportunity to meet new people and make friends with others who understand your experiences. Attendees are welcome to bring parents or carers for support if they wish.

By joining the group, young people have the opportunity to:

- Speak about their experiences
- Share their views
- Help influence services and decisions

Come along and help us make a difference in Doncaster. Your voice matters.

17th March 2026
